

Civil Design Technologist / Inspector

Location: **Kamloops, BC**

About the Organization

TRUE Consulting (TRUE) has provided engineering and planning consulting services to Municipal, Regional District, Provincial, First Nation Communities, and private sector clients in the central and southern interior of British Columbia since 1986. We are committed to the long-term success of our clients, and strive to deliver professional service with a focus on creative solutions, technical detail, and adherence to client goals, schedules and budgets. For more information about *TRUE*, see www.true.ca.

About the Opportunity

TRUE is currently looking for an experienced Civil Design Technologist / Inspector to join our Kamloops office. Our preferred candidate will be a graduate of a Civil Engineering Technology program. We are looking for the following skills, strengths and interests:

- Experience with construction supervision and inspection and contract management of municipal infrastructure improvement projects. A requirement to travel to project sites within the BC interior for extended periods is expected.
- Experience with contract administration tasks including the ability to provide QA/QC at the direction of the project engineer / manager.
- Proficiency with AutoCAD Civil 3D. Experience using AutoCAD in a municipal engineering design environment including creation of water/sewer/drainage infrastructure plan and profiles, road corridors, and site grading.
- GIS support in ESRI will be considered an asset.
- Commitment, energy and a strong work ethic.

Benefits

The successful candidate will be rewarded with:

- Attractive Salary, and participation in employee Profit Sharing
- Ability to participate in our RRSP Program, and Comprehensive group benefits including extended health and dental coverage
- Varied opportunities for professional growth and development
- Live and work in a progressive city that offers an exceptional, affordable lifestyle
