

# Civil Inspector/Contract Administrator – TRUE Consulting

Location: **Kelowna, BC**

## About the Organization

---

TRUE Consulting has provided engineering and planning consulting services to Municipal, Regional District, Provincial, First Nation Communities, and private sector clients in the central and southern interior of British Columbia since 1986. We are an innovative company committed to helping our clients achieve their project goals. We strive to deliver professional services with a focus on creative solutions, technical detail, and adherence to schedules and budgets.

As a growing and evolving company, TRUE strives to find the right people and aims to keep them. We offer a supportive working environment and culture and believe that a healthy work/life balance is critical to the success and happiness of our people.

TRUE offers an attractive remuneration package plus profit sharing and benefits.

## About the Opportunity

---

TRUE is currently looking for a Civil Engineering Technologist or EIT/P.Eng. to join our Kelowna office starting in 2020 for a busy construction season.

Our preferred candidate will be a graduate of a Civil Engineering Technology, Engineering Design and Drafting Technology, or Bachelor of Science (Civil). Previous construction or inspection experience is a must. The position would consist of:

- Civil Construction Inspection/Supervision for land development projects including municipal road frontage improvements and/or municipal infrastructure projects.
- Design redlines/drafting in AutoCAD Civil 3D is preferred but not required.

The successful candidate will work directly with senior engineers/contract administrators and will experience variety and opportunity for growth and challenge.

## Apply Now!
