

Civil Engineering Technologist

Location: **Kamloops, BC**

About the Organization

TRUE Consulting (TRUE) has provided engineering and planning consulting services to Municipal, Regional District, Provincial, First Nation Communities, and private sector clients in the central and southern interior of British Columbia since 1986. We are committed to the long-term success of our clients, and strive to deliver professional service with a focus on creative solutions, technical detail, and adherence to client goals, schedules and budgets. For more information about *TRUE*, see www.true.ca.

About the Opportunity

TRUE is currently looking for an experienced Civil Engineering Technologist to join our Kamloops office. Our preferred candidate will be a graduate of a Civil Engineering Technology program. We are looking for the following skills, strengths and interests:

- Commitment, energy and a strong work ethic.
- Ability to interpret engineering drawings and specifications.
- Proficiency with AutoCAD Civil 3D. Experience using AutoCAD in a municipal engineering design environment including creation of water/sewer/drainage infrastructure plan and profiles, road corridors, and site grading.
- Ability to conduct field inspections to ensure that constructed work conforms to engineering specifications. A requirement to travel to project sites within the BC interior is expected.
- Aptitude to consult with contractors and consultants to deliver project milestones.
- GIS support utilizing ESRI software will be considered an asset.

Benefits

The successful candidate will be rewarded with:

- Attractive Salary, and participation in employee Profit Sharing
- Ability to participate in our RRSP Program, and Comprehensive group benefits including extended health and dental coverage
- Varied opportunities for professional growth and development
- Live and work in a progressive city that offers an exceptional, affordable lifestyle
