

Civil Engineering Technologist

Location: **Trail, BC**

About the Organization

TRUE Consulting (TRUE) has provided engineering and planning consulting services to Municipal, Regional District, Provincial, First Nation Communities, and private sector clients in the central and southern interior of British Columbia since 1986. We are committed to the long-term success of our clients and strive to deliver professional service with a focus on creative solutions, technical detail, and adherence to client goals, schedules and budgets. For more information about *TRUE*, see www.true.ca.

About the Opportunity

TRUE's Trail office has provided engineering services to municipalities throughout the West Kootenay region since 2009. We are currently looking for an experienced Civil Engineering Technologist to join our Trail office on a full-time or part-time basis. Our preferred candidate will be a graduate of a Civil Engineering Technology program (registered or able to register with ASTTBC as an Applied Science Technologist), with experience working in the civil / municipal engineering sector. We are looking for the following skills, strengths and interests:

- Experience with construction field inspection of municipal infrastructure projects to ensure constructed work conforms to engineering specifications. Ability to travel to project sites within the Kootenay region is required.
- Ability to establish and maintain productive working relationships with municipal clients and general civil contractors. An outgoing, positive personality is an asset.
- Strong written English and verbal communication skills.
- Experience using robotic total station survey equipment.
- Proficiency with AutoCAD Civil 3D. Experience using AutoCAD in a municipal engineering design environment including creation of water/sewer/drainage infrastructure plan and profiles, road corridors, and site grading.
- Ability to contribute positively to a small staff office environment.
- Commitment, energy and a strong work ethic.
- Genuine aspiration to work and live in the West Kootenays / Trail area. Candidates who do not possess this criterion should not apply.

Benefits

The successful candidate will be rewarded with:

- Attractive Salary, and participation in employee Profit Sharing.
- Ability to participate in our RRSP Program, our Health & Wellness Program, and Comprehensive group benefits including extended health and dental coverage.
- Varied opportunities for professional growth and development.
- Live and work in a progressive city that offers an exceptional, affordable lifestyle.
