### About the Opportunity

---

*TRUE's* Trail office has provided engineering services to municipalities throughout the West Kootenay region since 2009. We are currently looking for an experienced Civil Engineer to join our Trail office on a permanent basis. Our preferred candidate will be a graduate of a Civil Engineering program (registered or able to register with APEGBC as a Professional Engineer or Engineer-in-Training), with experience working in the civil / municipal engineering sector. We are looking for the following skills, strengths and interests:

- Ability to establish and maintain productive working relationships with municipal clients and general civil contractors. An outgoing, positive personality is an asset.
- Experience with overall management of municipal infrastructure improvement projects, including design and construction contract administration.
- Commitment to technical excellence incorporating an innovative approach to problem solving.
- Effective verbal and written English communications skills with demonstrated report writing skills.
- Ability to lead, manage and motivate project teams.
- Excellent organization and planning skills.
- Ability to contribute positively to a small staff office environment.
- Commitment, energy and a strong work ethic.
- Genuine aspiration to work and live in the West Kootenays / Trail area. Candidates who do not possess this criterion should not apply.

### Benefits

---

The successful candidate will be rewarded with:

- Attractive Salary, and participation in employee Profit Sharing.
- Ability to participate in our RRSP Program, our Health & Wellness Program, and Comprehensive group benefits including extended health and dental coverage.
- Varied opportunities for professional growth and development.
- Live and work in a region that offers an exceptional, affordable lifestyle.
